Our Band

This year our band has been quite active. We have played in M.I.A. several times. We took the band and chorus up to Snowflake where we sang and played a few band numbers. The last number was a combined skit and band number. The band played The Rampage of the Old Grey Mare while the horse danced and fooled around.

Our Student Council

While the student body is directing its whole-hearted attention to studies (and other things), the machinery of government must go on. This year it has continued to function smoothly. Our thanks to them.
